| <b>Description</b>                                      | Integrated assessment and management of a person’s substance use and mental health problems. The trainee demonstrates the ability to assess, conduct appropriate physical and cognitive assessment, formulate, consider differential diagnoses and develop integrated management strategies. They are able to explain the relationship between the person’s substance use and mental health to patients, family and staff. The trainee demonstrates awareness of challenges posed by comorbidity. |                           |                              |

Please refer to the EPA handbook’s preamble for a more detailed description of the EPA assessment process. The corresponding EPA contains the knowledge, skills and attitude that must be demonstrated by the trainee in order to be entrusted with this activity.

**ENTRUSTING SUPERVISOR DECLARATION**

In my opinion, this trainee can be trusted to perform the activity described with only distant (reactive) supervision. I am confident the trainee knows when to ask for additional help and will seek assistance in a timely manner. The trainee has completed three related WBAs in preparation for this activity.
