

## Psychotherapy case discussion form

To be completed by trainees submitting a Psychotherapy Written Case under the Fellowship Regulations 2012.

Trainees must complete three formative psychotherapy case discussions about the patient whose therapy is the subject of the Psychotherapy Written Case. Please submit the three completed psychotherapy case discussion forms to the College with your Psychotherapy Written Case.  
Refer to the psychotherapy case discussion protocol for assistance with psychotherapy case discussions.

Trainee name	RANZCP ID
Date of discussion	Sessions completed (at time of discussion)
Psychotherapy case discussion	First      Second      Third
