

RANZCP Governance Structure

as at August 2018

Communication reporting lines:

Each Bi-national Faculty and Section Committee must maintain close communication and collaboration with their Subcommittee(s) and the appropriate Branch Committee or New Zealand National Committee on College matters relevant to that committee.

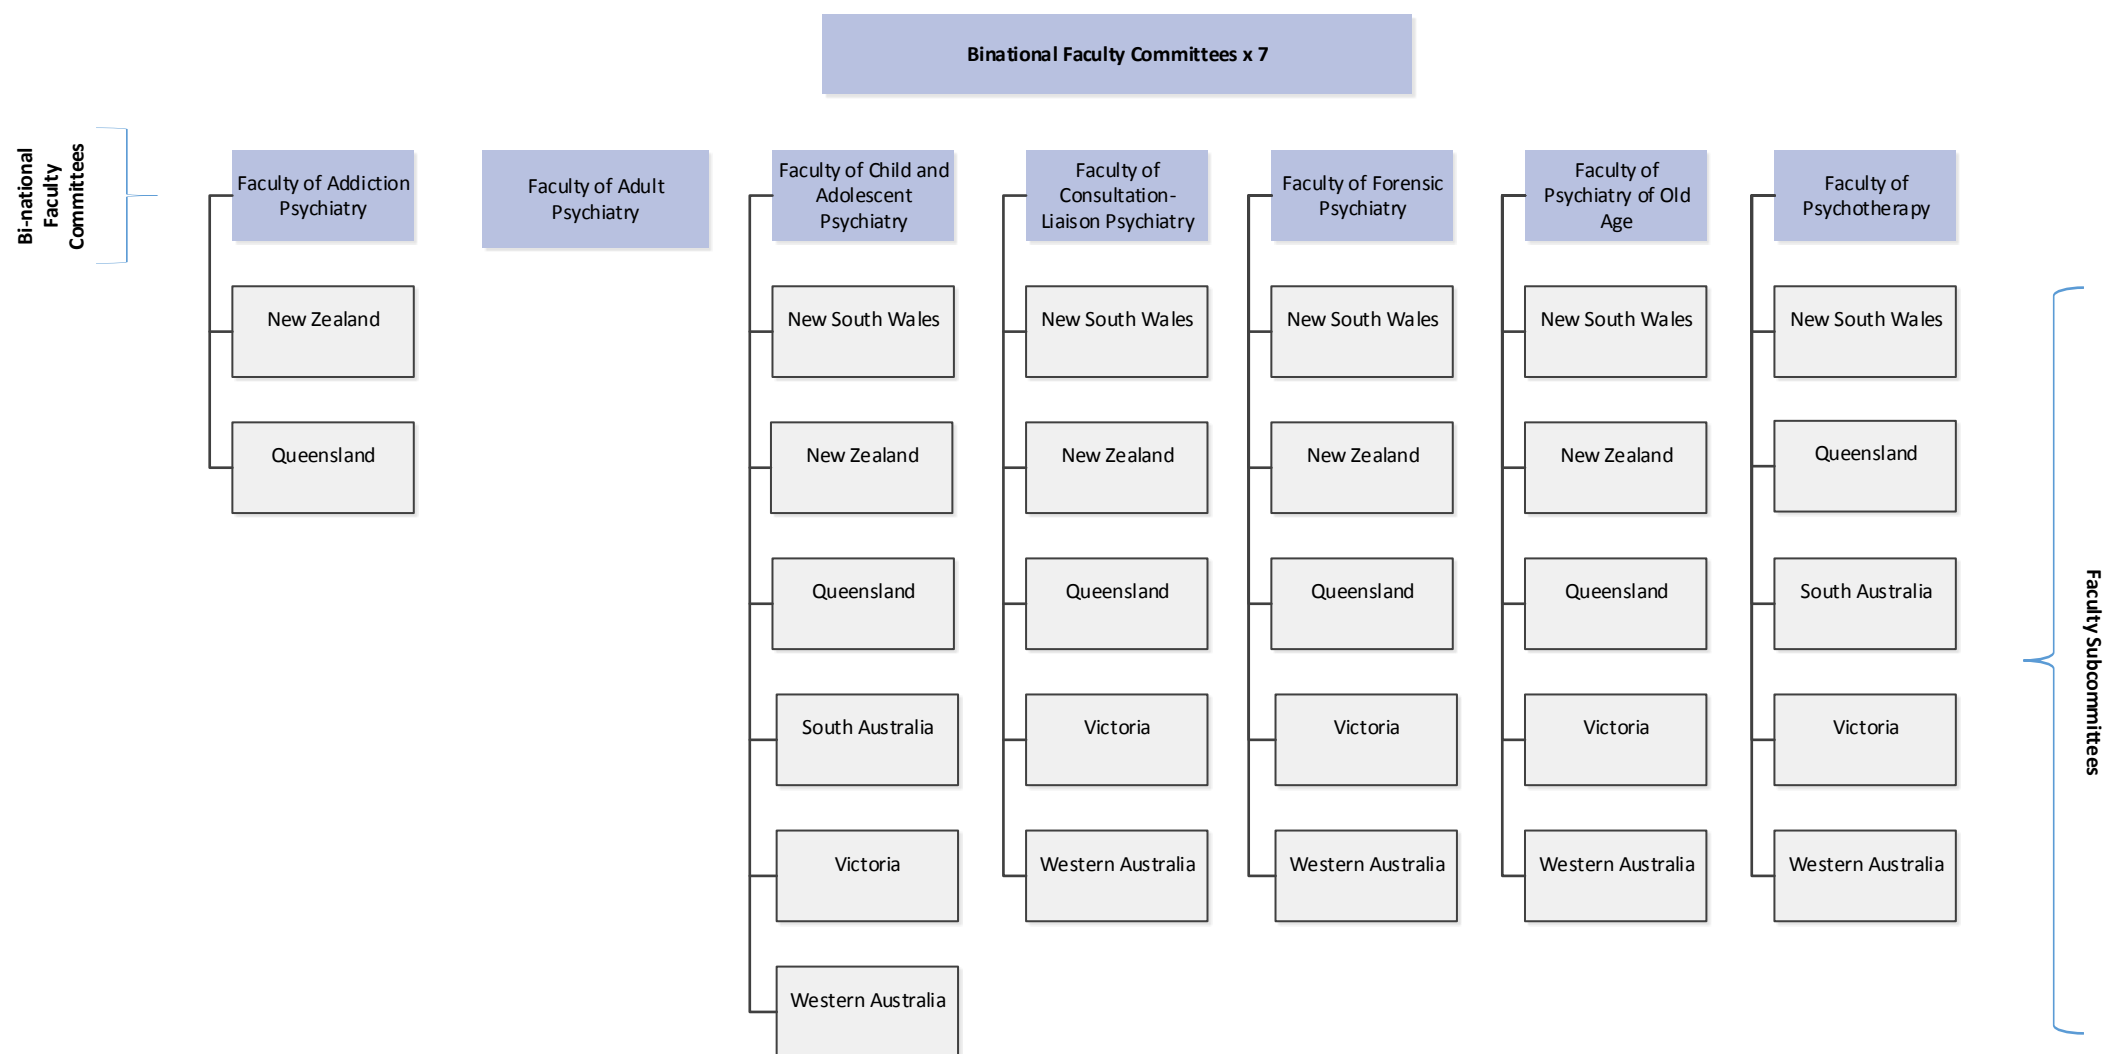

Each Chair (or nominee) of the Branch Training Committee shall maintain close communication and collaboration with the appropriate Branch Committee or New Zealand National Committee on training matters relevant to that jurisdiction.

----- Two way communication.

Note: Refer to separate governance charts for Faculty and Section Subcommittee structures and for other Networks.
