Background

Pursuant to Article 15.1 of the Constitution, the Board may establish Faculties of the College responsible to the Board, provided that any such Faculty shall, in the opinion of the Board, represent an internationally recognised body of knowledge in psychiatry and have College accredited training. Membership of Faculties shall be in accordance with the Faculty’s membership criteria and shall be open to all qualified Members of the College as determined by the Board.

The Faculties of the College are outlined below.

- **Faculty of Adult Psychiatry** – established August 2018.

- **Faculty of Child and Adolescent Psychiatry** – the Faculty of Child Psychiatry was renamed the Faculty of Child and Adolescent Psychiatry in September 1992 (previously named the Faculty of Child).

- **Faculty of Consultation-Liaison Psychiatry** – established in May 2015. The Faculty replaced the Section of Consultation-Liaison Psychiatry which was formed in May 1995.

- **Faculty of Forensic Psychiatry** – established in February 2011. The Faculty replaced the Section of Forensic Psychiatry which was established in May 1968.

Each Faculty is governed by a Bi-national Faculty Committee. In some jurisdictions a Bi-national Faculty Committee may operate a Faculty Subcommittee (refer to the separate Faculty and Section Subcommittees’ Regulations).

This document relates only to the Bi-national Faculty Committees.

By way of historical information, from the conclusion of the College’s Annual General Meeting (AGM) in May 2015, all groups with an associated RANZCP advanced training program became known as ‘Faculties’ (this included the Sections of Addiction Psychiatry, Psychotherapy and Consultation-Liaison Psychiatry) and Special Interest Groups became known as ‘Sections’. Some Sections (Neuropsychiatry, Social and Cultural Psychiatry, and Rural Psychiatry) remained as Sections.
