

Refresher/advanced two day ECT course

Friday 25 – Saturday 26 October 2019

Lecturers: Professor Colleen Loo and Dr Brett Simpson

This two day course is particularly designed for psychiatrists who prescribe and/or perform electroconvulsive therapy (ECT). It may also be of interest to other clinicians.

The course covers:

- foundational knowledge about all aspects of ECT treatment
- updates on latest findings from research, including ultra-brief and bi-frontal ECT
- anaesthetic strategies to improve outcome.

This course is suitable for the general psychiatrist, and also provides advanced knowledge for experienced ECT psychiatrists.

Cost \$1900 (AUD)
Psychiatry trainees \$950 (AUD)
(GST included)

Where Wesley Hospital Kogarah
