Adult psychiatry				
ST3-AP-FELL-EPA1	✓			Teach and supervise.
ST3-AP-FELL-EPA2	✓			Consult and collaborate with another health professional about their risk assessment.
ST3-AP-AOP-EPA3		✓	✓	Assess and manage treatment-refractory psychiatric disorders.
ST3-AP-FELL-EPA4	✓		✓	Recovery and rehabilitation.
ST3-AP-FELL-EPA5	✓		✓	Complex work with families and/or carers.
ST3-AP-AOP-EPA6		✓	✓	Physical comorbidity 3.
ST3-AP-FELL-EPA7	✓			Preparation and presentation of a treating doctor's report to a tribunal authorising treatment under mental health legislation.
ST3-AP-FELL-EPA8	✓		✓	Demonstrate leadership skills in a multidisciplinary team setting. (Adult)
ST3-AP-FELL-EPA9	✓		✓	First presentation of a complex mental disorder.
ST3-AP-FELL-EPA10	✓			Assessment and management of adults with a comorbid intellectual/developmental disability and mental illness.
ST3-AP-FELL-EPA11	✓			Conduct assessments of adults, collaborate with carers, referrers and health professionals and implement management via telehealth to rural, remote or outlying areas.
ST3-AP-FELL-EPA12	✓		✓	Advanced clinical work with people with cultural and linguistic diversity.
ST3-AP-FELL-EPA13	✓			Medicolegal (civil) assessment and report not connected with the relevant mental health act.
ST3-AP-FELL-EPA14	✓			Assessment and comprehensive management of a patient over the age of 18 years with anorexia nervosa presenting in a severely underweight state (eg. BMI < 14).
ST3-AP-FELL-EPA15	✓			Assessment and comprehensive management of an outpatient adult with bulimia nervosa.

EPA identification	Can be attained in any area of practice (FELL)	Can only be attained in relevant area of practice (AOP)	SIMG prescribed EPAs	Title
ST3-AP-FELL-EPA16	✓			Assessment and comprehensive management of a woman experiencing a major postpartum mental illness within 12 months of childbirth.
ST3-AP-FELL-EPA17	✓			Assessment and comprehensive management of a pregnant woman presenting with a psychiatric disorder.
ST3-AP-FELL-EPA18	✓			Assessment and management of a mental illness occurring in an adult with an established diagnosis of epilepsy.
ST3-AP-FELL-EPA19	✓			Assessment and management of psychological and behavioural symptoms in an adult under the age of 50 with an acquired brain injury.
ST3-AP-FELL-EPA20	✓			Review service delivery.
ST3-AP-FELL-EPA22	✓			Review service delivery in an Early Intervention Service.
Child and adolescent psychiatry				
ST3-CAP-AOP-EPA1		✓		Independently conducts an initial family interview involving children and adolescents.
ST3-CAP-AOP-EPA2		✓		Discussing a formulation and negotiating a management plan with a pre-adolescent child and/or family.
ST3-CAP-AOP-EPA3		✓		Produces comprehensive psychiatric reports after initial assessment of children, adolescents and their families.
ST3-CAP-AOP-EPA4		✓		Commencing psychopharmacological treatment for a child or adolescent who has not previously been treated with psychopharmacology.
ST3-CAP-AOP-EPA5		✓		Provision of psychiatric consultation to the multidisciplinary team for the management of a child or adolescent in an inpatient setting.
ST3-CAP-AOP-EPA6		✓		Conducts an assessment of culturally and linguistically diverse children and adolescents.
ST3-CAP-AOP-EPA7		✓		Provides leadership in an interagency case conference focused on a child or adolescent.

EPA identification	Can be attained in any area of practice (FELL)	Can only be attained in relevant area of practice (AOP)	SIMG prescribed EPAs	Title
ST3-CAP-AOP-EPA8		✓		Assesses and implements a management plan for a complex clinical presentation where there are ongoing child protection concerns.
ST3-CAP-AOP-EPA9		✓		Conducts comprehensive assessment of child under three presenting with feeding and sleeping problems and presents the formulation to the family.
Consultation–liaison psychiatry				
ST3-CL-AOP-EPA1		✓		Assess, formulate and manage clinically significant psychological states in the context of the patient's illness in the general medical setting.
ST3-CL-AOP-EPA2		✓		Manage a patient with medically unexplained symptoms.
ST3-CL-AOP-EPA3		✓		Capacity assessment.
ST3-CL-AOP-EPA4		✓		Assess and manage a patient presenting with neuropsychiatric symptoms.
ST3-CL-AOP-EPA5		✓		Scholarly presentation to a non-psychiatric audience.
ST3-CL-AOP-EPA6		✓		Coercive treatments.
ST3-CL-AOP-EPA7		✓		Assess and manage psychiatric illness in patients with a chronic medical illness.
ST3-CL-AOP-EPA8		✓		Assess and manage chronic psychiatric illness in a patient in the general hospital.
Forensic psychiatry				
ST3-FP-FELL-EPA1	✓			Forensic education seminars.
ST3-FP-FELL-EPA2A	✓			Systemic working: case review.
ST3-FP-FELL-EPA2B	✓			Systemic working: clinical audit.
ST3-FP-FELL-EPA3	✓			Academic forensic psychiatry: research project.

EPA identification	Can be attained in any area of practice (FELL)	Can only be attained in relevant area of practice (AOP)	SIMG prescribed EPAs	Title
ST3-FP-AOP-EPA4		✓		Consultation and liaison role to contribute to a multi-agency approach to manage a complex forensic patient.
ST3-FP-AOP-EPA5		✓		Violence risk assessment and management 3.
ST3-FP-AOP-EPA6		✓		Management of a long-term forensic patient.
ST3-FP-AOP-EPA7		✓		Expert evidence 3.
ST3-FP-AOP-EPA8		✓		Women's forensic psychiatry: consultation–liaison.
ST3-FP-AOP-EPA9		✓		Medicolegal assessment (civil): injury and impairment.
ST3-FP-AOP-EPA10		✓		Medicolegal assessment (civil): fitness and capacity.
ST3-FP-AOP-EPA11		✓		Adolescent forensic psychiatry: clinical assessment and treatment.
ST3-FP-AOP-EPA12		✓		Assessment of an older person in a criminal or civil context.
ST3-FP-AOP-EPA13		✓		Assessment and management of sexual offending.
ST3-FP-AOP-EPA14		✓		Civil forensic psychiatry: Family Court.
Indigenous mental health – Australia				
ST3-INDAU-FELL-EPA1	✓		✓	Formulation of a case involving an Aboriginal or Torres Strait Islander patient.
ST3-INDAU-FELL-EPA2	✓			Review a model of mental health service delivery in an Aboriginal or Torres Strait Islander community service.
Indigenous mental health – New Zealand				
ST3-INDNZ-FELL-EPA1	✓			Formulation of a case involving a Māori patient.
ST3-INDNZ-FELL-EPA2	✓			Review a model of mental health service delivery in a Māori community service (including hospitals and community services attached to hospitals).

EPA identification	Can be attained in any area of practice (FELL)	Can only be attained in relevant area of practice (AOP)	SIMG prescribed EPAs	Title
Psychiatry of old age				
ST3-POA-FELL-EPA1	✓		✓	Formal capacity assessment and report.
ST3-POA-FELL-EPA2	✓		✓	Demonstrate leadership skills in a multidisciplinary team setting. (POA)
ST3-POA-FELL-EPA3	✓			Assessment of older people in general medical settings.
ST3-POA-FELL-EPA4	✓			Older adult psychopharmacology, including the use of psychotropic medications in patients with treatment-resistant depression and those with complex general medical needs.
ST3-POA-AOP-EPA5		✓		Management of behavioural and psychological symptoms of dementia.
ST3-POA-AOP-EPA6		✓		Neuropsychological testing, neuroimaging and rating scales.
ST3-POA-AOP-EPA7		✓		Assessing older people in complex domiciliary settings, including those with problems such as hoarding, squalor and homelessness.
ST3-POA-AOP-EPA8		✓		Residential aged care facility assessment and management planning.
ST3-POA-AOP-EPA9		✓		Psychological treatments in older people.
Psychotherapy				
ST3-PSY-FELL-EPA1	✓			Foundational use of supervision and co-management approaches in psychotherapy.
ST3-PSY-FELL-EPA2	✓			Foundational assessment and treatment planning.
ST3-PSY-FELL-EPA3	✓			Foundational management in psychotherapy.
ST3-PSY-FELL-EPA4	✓			Research skills in psychotherapy.
ST3-PSY-AOP-EPA5		✓		Advanced use of supervision and co-management approaches in psychotherapy.
ST3-PSY-AOP-EPA6		✓		Advanced assessment and treatment planning.

EPA identification	Can be attained in any area of practice (FELL)	Can only be attained in relevant area of practice (AOP)	SIMG prescribed EPAs	Title
ST3-PSY-AOP-EPA7		✓		Advanced management in psychotherapy.
ST3-PSY-AOP-EPA8		✓		Introductory training in supervisory skills in psychotherapy.
ST3-PSY-AOP-EPA9		✓		Advanced presentation skills in psychotherapy.
ST3-PSY-AOP-EPA10		✓		Formal research in psychotherapy.
Administration				
ST3-ADM-FELL-EPA1	✓			Demonstrate leadership skills in a multidisciplinary team setting. (Admin)
ST3-ADM-FELL-EPA2	✓			Improvement project.
ST3-ADM-AOP-EPA3		✓		Reviewing performance and development of a learning plan.
ST3-ADM-AOP-EPA4		✓		Demonstrate leadership skills in a review of an incident or complaint.
ST3-ADM-AOP-EPA5		✓		Strategy and policy.
ST3-ADM-AOP-EPA6		✓		Demonstrate leadership skills through participation in a clinical governance committee.
Medical education				
ST3-EDU-FELL-EPA1	✓			Small and large group teaching.
ST3-EDU-FELL-EPA2	✓			Deliver and evaluate clinical (bedside) teaching sessions.
ST3-EDU-FELL-EPA3	✓			Assist learning through receiving and providing feedback.
ST3-EDU-FELL-EPA4	✓			Training to become an effective and competent supervisor.
ST3-EDU-AOP-EPA5		✓		Develop a summative assessment for learners who have completed a course, program or teaching session.
ST3-EDU-AOP-EPA6		✓		Planning a course, workshop or learning session.

<i>EPA identification</i>	<i>Can be attained in any area of practice (FELL)</i>	<i>Can only be attained in relevant area of practice (AOP)</i>	<i>SIMG prescribed EPAs</i>	<i>Title</i>
Research				
ST3-RES-AOP-EPA1		✓		Planning and initiating a research project.
ST3-RES-AOP-EPA2		✓		Planning, conducting and reporting a review of scientific literature.
ST3-RES-AOP-EPA3		✓		Skills in research methodology and data collection.
ST3-RES-AOP-EPA4		✓		Skills in Data Analysis and Synthesis.
