Replacement policy effective August 2021 examinations

This policy replaces the previous Writtens Examinations policy, effective from the August 2021 examination onwards.

In response to the recommendation from the Australian Council for Educational Research (ACER), the previous Essay-style examination has now been decoupled and split into two independent examinations – Modified Essay Questions (MEQ) Examination and the Critical Essay Question (CEQ) Examination. This policy on ‘Essay examinations’ makes reference to the two decoupled essay examinations – MEQ and CEQ. Please note these two exams are delivered as completely independent exams.

The Multiple-Choice Questions Examination policy is covered in a separate policy.

The policy will continue to be reviewed as the two independent examinations are implemented and processes evolve further.

The previous Writtens Examinations policy will remain valid and applicable for issues pertaining to the combined Essay-style Examination.

Contents

1. Policy and procedure on the essay examinations

This document sets out the requirements of the essay examinations, which trainees and Specialist International Medical Graduates (SIMGs) who have been assessed as partially comparable must successfully complete in order to be eligible for Fellowship. Throughout this policy, trainees and partially comparable SIMG candidates are together referred to as ‘applicants’ or ‘candidates’ except where specific distinction is required.

2. Policy statement

The essay examinations together assess a candidate’s knowledge of the theoretical and scientific underpinnings of psychiatry, critical thinking relevant to psychiatry, and clinical and ethical issues in psychiatry.

3. Purpose

The essay examinations are mandatory summative assessment components of the RANZCP Fellowship Program. This document sets out the requirements for their successful completion.
4. Policy and procedure details

4.1 Requirements and composition of the essay examinations

The RANZCP Fellowship Program requires the successful completion of two independent essay examinations: the Modified Essay Questions (MEQ) Examination and the Critical Essay Question (CEQ) Examination.

4.1.1 Standard

The standard of performance required for the MEQ and CEQ Examinations is the demonstration of theoretical and applied knowledge level expected at the end of Stage 3. As per the definitions, the standard expected at the end of Stage 3 refers to a recently qualified Fellow of the RANZCP.

4.1.2 Modified Essay Questions (MEQ) Examination

The Modified Essay Questions (MEQ) Examination comprises clinical scenarios which have a clinical focus and will assess capacity for critical thinking about clinical practice and the application of clinical knowledge.

The examination is 150 minutes in duration, including reading time. The total marks allocated to MEQ Examination are 125.

This examination is currently offered as a paper-based test (only). All candidates will be required to undertake this examination at a Pearson VUE testing centre or approved regional locations.

4.2 Candidate eligibility for the essay examinations

In order to undertake the MEQ and CEQ Examinations, applicants must be registered as RANZCP trainees or as SIMG candidates.

Additionally, all applicants must have current, valid registration as a medical practitioner in Australia or New Zealand when applying for and when sitting the examination (Candidates must also have current medical registration at the time of the result release date for their results to be released.)

Successful completion of either the Multiple-Choice Questions (MCQ) Examination or the CEQ Examination is not an eligibility requirement for sitting the Modified Essay Question (MEQ) Examination.

Further, successful completion of either the Multiple-Choice Questions (MCQ) Examination or the MEQ Examination is not an eligibility requirement for sitting the Critical Essay Question (CEQ) Examination.

Submitting an examination application does not grant an applicant automatic eligibility to sit the examination. The requirements for eligibility must be fulfilled in order for a place to be granted. Candidates must be familiar with the Examination Cancellation and Refund Schedule, particularly the refund cut-off dates.

4.2.1 SIMG candidate eligibility to apply for and sit the essay examinations

SIMG candidates assessed as partially comparable must have current comparability status with the RANZCP at the time of the application closing date to be eligible to apply for the MEQ and CEQ Examinations. The comparability status must cover the examination period including the time required for declaration of results (the scheduled release date can be found on the relevant MEQ and CEQ Application Forms).

4.2.2 Trainee eligibility for the essay examinations

Trainees are eligible to apply for the MEQ and CEQ Examinations once they have successfully completed 18 months of FTE training, including 6 months FTE in Stage 2, as demonstrated by their RANZCP Training Record. Applications will not be accepted before 6 months of FTE training in Stage 2 has been accredited to the trainee’s Training Record.

Trainees are eligible to apply for the MEQ and CEQ Examinations while on an approved break in training. A trainee who has interrupted their training but is not on an approved break in training (i.e. is accruing not-in-training time) is not eligible to apply for the MEQ and CEQ Examinations.

4.3 Applying for the essay examinations

To apply to sit an essay examination (either MEQ or CEQ), all examination applicants must complete and submit the prescribed Examination Application Form for the relevant examination. There will be a separate examination application and fee for each examination; however, candidates can apply for both examinations in the same round.

A new application must be submitted for each attempt at an essay examination. There is no automatic enrolment of candidates (i.e., candidates are not automatically enrolled in the next examination round if they failed or withdrew from a previous round, or if they are nearing the deadline for successful completion as per the Progression through Training Policy [6.1]).

4.3.1 The application

The Examination Application Form must be received by the Examinations Department, RANZCP Head Office via email by the Application Close Date as per the Examination Cancellation and Refund Schedule, together with the following items:

a) an electronic version (PDF) of the applicant’s current medical registration certificate or annual practising certificate
- Candidates must have current, valid registration at the time of application and of sitting the examination. Applications will not be processed without a current medical registration certificate.
- If an applicant’s medical registration expires before the examination period, they must submit a copy of their current medical registration and then forward their new medical registration once received.

b) an electronic version (PDF) of the current Specialist Pathway Final Outcome letter/Progression to RANZCP Fellowship letter in the case of SIMG candidates, which should be current at the time of application and of sitting the examination.
- Applications will not be processed without evidence of current comparability status (where relevant).

c) a scanned colour passport photograph of the applicant taken within the last 12 months
- A new photograph of the applicant must be submitted with each application as the RANZCP does not hold photographs from previous applications.
- The required dimensions of the photo are 35mm to 40mm wide and 45mm to 50mm high. The photo must show a clear close-up of your face and be a truthful representation of you. The RANZCP does not hold photos from previous examinations. A photo must be submitted with each application.
- The colour passport photo must be submitted as a JPG with a maximum size of 2MB.

d) the prescribed examination fee in full
- Full funds for the examinations must be available on the application closing date until the funds are deducted. Fees will be deducted within 10 working days of receipt of completed application.
- The deduction of funds does not guarantee an applicant a place in the examination. Candidates not granted a place in the examination will be provided a full refund. However, candidates who withdraw or who become ineligible to sit an essay examination after applying for the examination will be refunded in accordance with the Cancellation and Refund Schedule.

e) payment of any outstanding fees to the RANZCP
- Applicants who have monies outstanding to the RANZCP at the time of application, including training fees, will not have their examination application processed.

f) any special consideration request and the required documentation (where relevant)

g) signed Commencement of Targeted Learning Form (if required – note this form can be provided by the 50 per cent refund date).

It is the responsibility of the applicant to be familiar with the current Cancellation and Refund Schedule, which states the relevant application closing date and refund deadline for each examination.

Please note for de-identification reasons, official letterheads of any organisation should not be used when submitting applications or special consideration requests. The RANZCP will not accept any such applications on official letterheads.

Applications should be submitted online for the MEQ Examination via email to MEQ@ranzcp.org and for the CEQ Examination via email to CEQ@ranzcp.org.
4.3.2 Trainee applications related to targeted learning

Trainees who are undertaking or have undertaken targeted learning relevant to the MEQ, CEQ Examination or the previously combined Essay-Style Examination must comply with the Targeted Learning Policy and Procedure (6.2). A brief reference to the requirements follows; however, applicants are responsible for being aware of all requirements of the Targeted Learning Policy and Procedure.

Targeted learning must be specific to an identified examination; separate targeted learning plans would be required for the MEQ Examination and the CEQ Examination.

A targeted learning plan should be reviewed by the trainee, DOT and supervisor (where relevant) prior to the trainee attempting or re-attempting the relevant essay examination.

A trainee who is required to undertake progression-based targeted learning (for not passing the MEQ, CEQ or the previously combined Essay-Style Examination by the targeted learning deadline on the Trainee Progress Trajectory) remains eligible to attempt the relevant essay examination.

A trainee who is required to undertake assessment-based targeted learning (for two failures of the MEQ Examination, CEQ Examination or two failures of the previously combined Essay-style Examination) will be eligible to re-attempt the relevant essay examination (that is, MEQ or CEQ) once they submit the Commencement of Targeted Learning Form to the RANZCP Training Department. If a trainee applies to sit the examination prior to submission of the Commencement of Targeted Learning Form, their enrolment will be pending until they submit this form or until the 50 per cent refund date stated on the Examination Timetable, whichever is earlier. A trainee will not be allotted a time slot and allocation for the relevant examination if the RANZCP does not have notification that the trainee has commenced targeted learning by the 50 per cent refund date. A trainee will not be eligible for the relevant examination if this process is not completed by the required date.

4.3.3 Applications for special consideration

Candidates requesting special consideration for either the MEQ or CEQ examinations must apply in writing to the Committee for Examinations (CFE) for approval, in accordance with the Special Considerations Policy (18.2).

Requests for special consideration must accompany a candidate’s MEQ or CEQ Examination Application Form, unless exceptional circumstances apply (such as the candidate experiencing a significant change in personal circumstances or medical condition(s) that occur after the examination Application Close Date). Requests for special consideration received after the application closing date may not be accommodated.

A separate application for special consideration must be submitted for each examination and for each reattempt (if any). However, candidates are only required to resubmit the supporting documentation if there is a change in circumstances.

4.4 Confirmation

4.4.1 Confirmation of receipt of application

Applicants should receive an email confirming receipt of their application within 2 working days of its receipt by the Examinations Department, RANZCP Head Office. It is an applicant’s responsibility to ensure that their application has been received by the RANZCP by contacting the Examinations Department (preferably by email) if they have not received an email confirming receipt of their application within 2 working days of the estimated time of receipt.

The confirmation of receipt of an application by the RANZCP does not confirm that the applicant is eligible for or has been granted a place at the examination.
4.4.2 Confirmation of eligibility to sit the examination

The RANZCP will inform applicants via email whether they are eligible to sit the relevant essay examination once all eligibility requirements have been verified and their fee payment has been deducted (payments are deducted within 10 working days of the application’s receipt). This email will also provide eligible applicants with an electronic link to the Pearson VUE – RANZCP portal which should be used to create an account and register for a place at the examination.

4.4.3 Registration with Pearson VUE for a place at the examination

Once an applicant has received confirmation of eligibility from the RANZCP as above, they must use the link provided to register to sit the MEQ and CEQ examination(s) as applicable during the registration period. Applicants will be informed of the dates of the registration period via email. Applicants must use their RANZCP I.D and their email address recorded on the RANZCP database in order to register.

At the time of registration, applicants will be required to agree that they understand the rules governing the essay (MEQ and CEQ) examinations (this Policy and Procedure and other relevant Fellowship Regulations, and the RANZCP Code of Ethics).

Pearson VUE will list the locations and availability of local testing centres relative to the applicant’s address. Applicants may also browse the locations across Australia and New Zealand and may request a place across multiple test centres by order of preference. Places at the test centres will be allocated in the order in which registrations are received. Pearson VUE will confirm whether an applicant has received a place at an examination testing centre and the location on completion of the registration process. Should an applicant need to change their test centre location, they are able to do so during the registration period.

Applicants should contact the Pearson VUE call centre if they have difficulty registering for a place at a testing centre. It is the applicant’s responsibility to ensure they have registered with Pearson VUE during the registration period, and that they been confirmed for a place by Pearson VUE. Any refunds due to a lack of registration with Pearson VUE will be made in line with the Examination Cancellation and Refund Schedule.

The RANZCP and/or its providers reserve the right to change the location of an applicant’s testing centre where required in exceptional circumstances.

4.5 Preparation and advice for essay examinations

Candidates are advised to be familiar with the RANZCP journals and RANZCP treatment guidelines, to attend journal clubs and mock examinations and to work on improving their examination techniques.

Candidates should also familiarise themselves with the examinations practice content available on the RANZCP website.

4.5.1 Candidate advice for the MEQ Examination

It is recommended that the following points are taken into consideration when preparing for the MEQ Examination:

- It is important for candidates to read the instructions, scenarios and questions thoroughly and to address the questions asked with specific reference to the patient in the scenario. All information provided in a scenario is considered important.

- Candidates should pay attention to the specific tasks required to answer the question, for example, they may be asked to outline, describe or discuss topic areas as opposed to listing them, or vice versa.
  - A ‘list’ contains keywords or phrases without elaboration.
  - ‘Outline’ is a list with some justification.
▪ ‘Describe’ is a list with more justification.
▪ ‘Discuss’ is a more comprehensive answer.
▪ Where details and/or justification are required, marks will not be awarded for topic headings without elaboration (lists).
▪ Bullet points may be used; however, candidates should ensure they include the justification required to effectively answer the question where required.
  o Information that is provided outside of that asked for will not score marks.
  o Candidates should endeavour to present concise and well-structured answers including justification for their responses.
  o Candidates are advised to draw on their clinical experience when answering questions.

4.5.2 Candidate advice for the CEQ Examination
  o It is recommended that the following points are taken into consideration when preparing for the CEQ Examination: Candidates must read the question thoroughly.
  o Candidates should practise the techniques involved in writing critical essays.
  o Candidates should consider the broader context of a question, including an awareness of relevant sociocultural issues, and broader models of illness (not limited to the medical model).
  o Candidates should write a response specific to the question asked rather than a generic essay.
  o Candidates should respond with structure and clarity.
    ▪ While a reliance on bullet points is not recommended for the CEQ, bullet points are allowed within an essay where they may aid structure and clarity.

4.6 Examination rules
Candidates are responsible for being familiar with this policy, as well as all other RANZCP Fellowship Regulations 2012 and the RANZCP Code of Ethics. Candidates must adhere to the rules presented in these documents.

Any breach of these rules is a serious ethical matter which will be investigated. Due to the serious nature of any breaches, outcomes are determined in accordance with the Examination Incident Report and Breach Review Procedure (18.3-4).

The essay examinations are managed by Pearson VUE test administrators. RANZCP Fellows and staff may attend in order to observe that the correct examination protocol is followed and the environment is in accordance with RANZCP standards. Candidates must observe and comply with all instructions and/or directions given by Pearson VUE test administrators.

4.6.1 Examination arrival
Each candidate must present for an examination in person. It is a serious offence for a candidate to allow any other person to present for an examination in their place. It is also a serious offence to aid and abet a candidate to arrange for any other person to present for an examination in the candidate’s place.

Candidates will not be admitted to an examination room if they appear to be under the influence of alcohol or drugs.

Candidates must be present in the examination registration area a minimum of 30 minutes prior to the scheduled commencement of the examination. Forty-five minutes prior is recommended.
- Generally, candidates may not enter the examination room once the examination has commenced.
- **In exceptional circumstances**, a test administrator may grant a late candidate access to the examination; however, late entrance will not be permitted more than 30 minutes after the scheduled commencement time of the examination.

Candidates are required to present a government issued photographic proof of identity (ID) at registration prior to being admitted to the examination room. The ID must be either a valid passport or driver license (must be original and unexpired – not a photocopy or digital ID).

Candidates must sign an attendance record, which acknowledges that they have read the Decoupled Essay Examinations Policy and Procedure and the Pearson VUE terms and conditions. Their signature will indicate that they agree to sit the examination according to this policy, related examination policies and the RANZCP Code of Ethics. These documents will be available at the examination site for any candidate who has not read them prior to arrival; however, it is the candidate’s responsibility to be familiar with them.

### 4.6.2 Items permitted in examination room

Candidates will be checked by test administrators to ensure they do not bring items into the examination room that are not permitted. All permitted items brought into the examination room must be in a clear zip-lock bag (where relevant) and will be inspected by test administrators.

Items are to be placed on the examination desk prior to commencement of the examination.

The following items are permitted in the examination room for the MEQ and CEQ Examinations without a requirement for a candidate to apply for special consideration and will be inspected prior to the candidate’s entry:

- throat lozenge/cough drop – must be unwrapped and not in a container
- pills – must be unwrapped and not in a container (unless they must remain in the packaging due to air exposure)

Candidates are required to bring either a valid passport or driver licence into the examination room (must be original as specified under section 4.6.1).

4.6.3 Restricted and prohibited items

Candidates must not bring the following items or any other personal item that a test administrator deems as unsuitable into the examination room. Candidates who require an exception must apply to the CFE for special consideration as per point 4.4.4 and the Special Consideration Policy (18.2):

- Timing devices, clocks and wristwatches (both analogue and digital) will not be permitted in both the MEQ and the CEQ Examination. (A clock will be in view in the MEQ and CEQ Examination rooms.)

- Jewellery that is wider than 1 cm unless the item cannot be physically removed
- Lip balm
- Tissues
- Earplugs

- Food or beverages, including water (water will be available at the examination venue).

All candidates must bring a bag in which to store items not permitted in the examination room. Candidates must turn off their mobile phones and place all prohibited items in their bag prior to entering the examination room. Bags will be stored away from the candidates’ examination desks. At the conclusion of the examination, candidates will be able to collect their prohibited items.

During the registration, each candidate will be required to turn off their smart devices and place them in a clear zip-lock bag already clearly labelled with their Last Name and RANZCP ID. Candidates’ mobile phones are to be placed face up on the table designated for phones before being seated. At the completion of the examination, candidates may collect their bags and their mobile phones. If a candidate’s mobile phone rings during an exam period, the zip-lock bag will be isolated immediately and taken out of the exam room to a secured location. At the end of the exam, the candidate with the isolated mobile phone must be identified before they are allowed to leave the building and an incident report be logged with its impact to the candidates in the room.
Should a candidate anticipate requiring access to specific belongings at any time during the examination, they must apply for special consideration as per point 4.4.4 and the Special Consideration Policy (18.2). Access to belongings without special consideration will only be considered in exceptional circumstances at the discretion of the test administrators. If access is permitted, it must be supervised and candidates will not receive any extra time to make up for their unscheduled break during the examination.

The RANZCP and Pearson VUE and its associates do not accept responsibility for the loss of any candidate’s personal property.

4.6.4 Conduct during the examination

Candidates are not permitted to communicate with, or provide any assistance to, other candidates once in the examination room.

Candidates are not permitted to accept assistance from any other candidates once in the examination room.

Should a candidate wish to speak to a test administrator, the candidate is to raise their hand.

Candidates are responsible for immediately notifying a test administrator if:

- the correct examination paper has not been provided or if the examination paper is missing or has duplicate pages (in the case of the MEQ and CEQ Examinations).

Candidates are not permitted to look at another candidate’s examination papers for any reason.

Candidates are not permitted to disturb other examination candidates in any way.

- Candidates are not permitted to read aloud during the examination reading time.

Candidates must raise their hand if they wish to leave the examination room and will not receive extra time to compensate for any unscheduled breaks. The candidate’s ID will be checked prior to their re-admission to the examination room.

Candidates who have completed their examination and wish to leave before the designated time must raise their hand, and the test administrator will go to their workstation and verify that their examination session has ended properly. Candidates must leave all examination materials at their desk after they have completed their examination. They may then leave the exam room on the direction and consent of the test administrator.

Candidates must remain seated until a test administrator has given the direction for candidates to leave the examination room.

4.7 Results

De-identified pass/fail results for the MEQ and CEQ examinations are scheduled to be released onto the RANZCP website at 5:00 pm AEST/AEDT on the date listed on the examination application form and on the Examination timetable. All candidates can obtain their results using their RANZCP identification number.

Once results are released on the RANZCP website, Trainees may obtain their results via InTrain and SIMG candidates from the RANZCP website using their RANZCP identification number.

4.7.1 Results breakdown

Each question has been categorised according to the diagnostic category and to the question type. Candidates will be advised of their aggregate score in each of these categories.

A review of a candidate’s performance across these categories indicates relative strengths and weaknesses in their knowledge or skill base, thus highlighting areas that may require further development.

This information may provide a useful basis on which a candidate can discuss their progress with their supervisor or DOT. DOTs will only have access to candidate’s results and results breakdown, for those candidates within that DOTs training zone.

4.7.2 Examination outcome

The pass score is determined for each examination, depending on the degree of difficulty of the examination and, hence, may vary from paper to paper. The degree of difficulty of each
examination is rated by the CFE together with Fellows who are familiar with the expected level of performance of a candidate undertaking the written examination. This ensures a consistency of standard and takes into account the variation that is inherent between all examination papers past and present. This rating is determined prior to the examination using educationally valid standard-setting methodology (the modified Ebel method), and is used to determine the pass mark for the components of the examination and hence the overall pass score.

- The actual pass score for an examination will not be released. The pass score in itself is not of educational merit nor does it assist unsuccessful candidates in preparation for subsequent sittings.

4.7.3 Feedback

Feedback and advice from the CFE regarding the overall performance of the examination cohort will be released on the RANZCP website once the candidates’ individual results breakdowns have been released.

4.7.4 Results withheld

The RANZCP reserves the right to withhold any candidate’s results.

Candidates who have any outstanding training or examinations fees owed to RANZCP at the time of the result release will have their results withheld until such fees are paid in full.

Results may also be withheld for various other reasons such as:

- medical registration or comparability status not being current
- an alleged breach of this policy or of the RANZCP Code of Ethics under investigation as per the Incident Report and Breach Review Policy (18.3-4).

4.8 Incident report

Should a candidate wish to report an incident that they believe may have unfairly affected the outcome of a written examination, the candidate must follow the processes outlined in the Examination Incident Report and Breach Review Policy (18.3-4).

4.9 Failure to adhere to examination rules

If a test administrator believes that a candidate has breached the examination rules in this policy, the candidate will be officially warned by the test administrator. The candidate will have their paper marked at that point with the time, date and test administrator’s signature. If relevant, the test administrator must confiscate any suspicious material or articles from the candidate. The candidate will be advised that the matter will be reported to the Chair, CFE via the RANZCP’s Assessment Manager.

Following any incident, the test administrator will provide a written report of the incident(s) to the Chair, CFE, along with any confiscated material as per the Examination Incident Report and breach Review Policy (18.3-4).

The test administrator may require a candidate to change seats during the examination.

If a candidate causes any disruption to the examination or continues to breach examination procedures following a warning by a test administrator, the administrator may request the candidate to leave the examination room immediately.

An alleged breach of the Essay Examinations Policy will follow the protocols in the Examination Incident Report and Breach Review Procedure (18.3-4).

4.10 Cancellations and refunds
Candidates are to inform RANZCP if they wish to withdraw from the examination. Candidates may be advised to log on to the Pearson VUE – RANZCP portal in order to cancel their place at an examination. Refunds will be made in accordance with the Cancellation and Refund Schedule.

4.11 Failure to present at an examination ('no show')
Candidates must log on to the Pearson VUE – RANZCP portal and cancel their place at the exam if, for any reason, they will not be attending the examination.

Candidates who have not informed Pearson VUE of their non-attendance will have their result recorded as a fail for that examination attempt.

A candidate will have 5 working days after the date of the examination to provide a written explanation for their lack of attendance to the RANZCP Head Office, which the CFE will consider on a case-by-case basis. Should the CFE determine that the candidate was unable to attend the examination due to reasons beyond the candidate’s control (e.g. hospitalisation) their result will be recorded as a withdrawal rather than a failure of the examination.

Candidates wishing to withdraw from the MEQ Examination must do so by emailing to MEQ@ranzcp.org.
Candidates wishing to withdraw from the CEQ Examination must do so by emailing to CEQ@ranzcp.org.

It is advisable to refer to the dates in the RANZCP Cancellation and Refund Schedule when considering withdrawing from the examination.

A failure of the examination due to lack of attendance will be considered a failure in relation to the requirements of the Targeted Learning Policy and Procedure (6.2), Progression through Training Policy (6.1), and Failure to Progress Policy (19.1).

4.12 Trainee deadlines and relation with progression through training
Candidates must pass the MEQ and CEQ examinations within the time required to be eligible for Fellowship. (See the Progression through Training Policy (6.1) for more information on assessment deadlines.)

The deadlines for successfully completing the MEQ and CEQ examinations are detailed in the Policy on Progression through Training (6.1). A brief reference to these requirements and those of the Policy on Failure to Progress (19.1) follow; however, trainees are responsible for knowing the requirements of these and other policies.

4.12.1 Deadline for the MEQ Examination
The MEQ Examination is expected to be attempted and passed by the time the trainee has completed 60 months of FTE accredited training.

- Failure to do so will result in a requirement for the trainee to undertake progression-based targeted learning and may lead to a requirement for the trainee to submit a training review application to the Committee for Training (CFT) as to why they should be able to continue towards Fellowship. Further detail, including information on exceptional cases, can be found in the Policy and Procedure on Failure to Progress (19.1).

4.12.2 Deadline for the CEQ Examination
The CEQ Examination is expected to be attempted and passed by the time the trainee has completed 60 months of FTE accredited training.
○ Failure to do so will result in a requirement for the trainee to undertake progression-based targeted learning and may lead to a requirement for the trainee to submit a training review application to the CFT as to why they should be able to continue towards Fellowship. Further detail, including information on exceptional cases, can be found in the Policy and Procedure on Failure to Progress (19.1).

4.12.3 Targeted learning requirement for multiple failures

Should a candidate fail the same essay examination twice (i.e. two failed attempts at the MEQ Examination or two failed attempts at the CEQ Examination), the candidate must undertake assessment-based targeted learning for the relevant examination as per the Policies and Procedures on Targeted Learning (6.2) and Progression through Training (6.1).

Please note in counting the failed attempts for progression and targeted learning, the previously failed attempts for the combined Essay-style Examination will be taken into account. For example, a candidate who has failed the Essay-style examination in August 2019 and decides to sit for the MEQ examination in August 2021 - if they fail the MEQ Exam in 2021, they will be required to undertake targeted learning for MEQ before they can apply for the next MEQ Exam. If they also sit for the CEQ exam in August 2021, they will have to undertake targeted learning separately for CEQ also before they can sit for the next CEQ Exam.

No disadvantage examinations

Due to the impact of COVID-19, the two Essay-style Examinations in 2020 were offered as ‘no disadvantage’ examinations wherein, an unsuccessful attempt for these examinations was not counted towards candidates’ trajectory or total number of unsuccessful attempts. The unsuccessful attempts for the ‘no disadvantage’ exams held in 2020 do not require Targeted Learning to be undertaken, although it is encouraged for trainees to consider it to improve their chances of passing at the next exam.

Even though the February 2021 Essay-style Examination is a ‘no disadvantage’ examination, this will be counted towards a candidate’s Targeted Learning requirement.

4.12.4 Requirement to submit a training review application

Should a candidate fail the same essay examination three times (i.e. three failed attempts at the MEQ Examination or three failed attempts at the CEQ Examination), the trainee must submit a training review application to the CFT as to why they should be able to continue towards Fellowship as per the Policy and Procedure on Failure to Progress (19.1). Please note in counting the failed attempts for the requirement to submit a training review application, the previously failed attempts for the combined Essay-Style Examination will also be taken into account.

4.13 SIMG candidate deadlines

SIMG candidates assessed as partially comparable are expected to successfully complete the MEQ Examination and the CEQ Examination within their stipulated time period on the specialist pathway. Information on their progression requirements are available on the RANZCP website at: Progression requirements: Partial Comparability requirements for RANZCP Fellowship policy.
