

Stage 1 training checklist

To assist trainees to keep track of their training requirements during Stage 1 of the 2012 Fellowship Program.

Please remember to download your 2012 Training Record periodically. This is available on the RANZCP website by logging onto 'Member Access' (top right corner), selecting 'My RANZCP' and then 'My Training Reports'. Your online record should be checked to ensure all the EPAs and rotations have been recorded correctly by the College's training team. Queries should be directed to training@ranzcp.org.

Trainee name RANZCP ID

Stage 1 training requirements		Completion date	✓
12 months FTE training in adult psychiatry	6 months FTE training in adult psychiatry (<i>acute setting</i>)		<input type="checkbox"/>
	6 months FTE training in adult psychiatry (<i>acute/non-acute</i>)		<input type="checkbox"/>
Stage 1 EPAs	*ST1-GEN-EPA5: Antipsychotic use		<input type="checkbox"/>
	*ST1-GEN-EPA6: Providing psychoeducation		<input type="checkbox"/>
Minimum one OCA per each 6-month FTE rotation	OCA in rotation 1		<input type="checkbox"/>
	OCA in rotation 2		<input type="checkbox"/>
Formative & summative forms	Rotation 1	Mid-rotation ITA form	<input type="checkbox"/>
		End-of-rotation ITA form	<input type="checkbox"/>
	Rotation 2	Mid-rotation ITA form	<input type="checkbox"/>
		End-of-rotation ITA form	<input type="checkbox"/>

*Or the equivalent EPAs if completed prior to mid-2014.

Please note: You must complete two EPAs per 6-month FTE rotation, i.e. four EPAs in total by the end of Stage 1 (unless you are utilising the Stage 1 First 6 Months FTE Rotation Exception Rule – see point 4.10.2 of the [Stage 1 Mandatory Requirements Policy](#)).

In addition to the two Stage 1 EPAs listed above, you are eligible to complete the Stage 2 General psychiatry or Psychotherapy EPAs. If you have completed any Stage 2 EPAs, please record them on the Stage 2 checklist.
