

## Stage 2 training checklist

To assist trainees to keep track of their training requirements during Stage 2 of the 2012 Fellowship Program.

Please remember to download your 2012 Training Record periodically. This is available on the RANZCP website by logging onto 'Member Access' (top right corner), selecting 'My RANZCP' and then 'My Training Reports'. Your online record should be checked to ensure all the EPAs and rotations have been recorded correctly by the College's training team.
