

2018 Assessment dates for Specialist Pathway/Area of Need applications

The below dates are for new Specialist Assessment (Partial or Substantial Comparability) and new Area of Need (AON) applications only. New AON applications are for applicants who change AON positions while on the Specialist Pathway. For assessment dates for Extensions, Reviews, Renewals of Comparability Status or AON Extensions please refer to the "Committee Assessment Dates" document.

All fees and required documents must be received at the College before an application can be assessed.

Applications must be complete by the relevant closing date. Please note that there are limited spaces available in each round and candidates are prioritised in accordance with the date of receipt of a complete application.

Any outstanding documentation or incorrectly completed application form will render your application incomplete. If your application is incomplete at the closing date it cannot be considered for that round of assessments.

Interviews for each round will be conducted on one day during the week indicated. The date and time of the interview will depend on the availability of panel members and will be advised to applicants in their preliminary outcome letter approx 3-4 weeks prior to the interview.

Interview dates are unable to be changed due to applicant's unavailability. It is recommended that applicants keep this period free of other commitments until they are advised of the interview time and date.

For New Zealand assessment dates, please contact RANZCP Specialist International Medical Graduate Education: simge@ranzcp.org
