Cultural Safety and Lived Experience

Cultural Safety and Lived Experience

Cultural Safety

The RANZCP Foundation is interested in hearing from applicants whose projects prioritise cultural safety and the mental health and wellbeing of First Nations people.

Resources

- [RANZCP Position Statement 105 - Cultural Safety](#)
 - [National Health and Medical Research Council \(Australia\) Ethical guidelines for research with Aboriginal and Torres Strait Islander peoples](#)
 - [National Health and Medical Research Council \(Australia\) Keeping research on track II](#)
 - [Health Research Council of NZ Guidelines for Researchers on Health Research Involving Māori](#)
-

OPTIONAL | If you are an applicant in Australia, please outline

- the potential impact of this research for Aboriginal and Torres Strait Islander communities, and
- how Aboriginal and Torres Strait Islander communities and/or partner organisations are involved. (max 300 words)

Sample

OPTIONAL | If you are an applicant in Aotearoa New Zealand, please outline

- The potential impact or implications of this proposed research to Māori.
- How your proposed research addresses equity for Māori.
- Inclusion of Māori knowledge or collaboration in study design.
- How your research dissemination strategy considers and includes Māori research participants, consultants, and advisors. (max 300 words)

Sample

Lived Experience

The RANZCP commits to improving the delivery of psychiatric care and mental health services by partnering with people with lived experience. This includes, supporting psychiatrists to work in partnership with people with lived experience so they can have genuine input in research, planning, monitoring, and implementation of treatment and care.

- [RANZCP Lived and Living Experience strategy](#)
- [Australian Clinical Trials Alliance - Consumer Involvement and Engagement Toolkit](#)

OPTIONAL | Please outline how people with lived experience are involved in the project. (max 300 words)
