

Regulations

Committee Meeting Operations

Background

These Regulations document committee meeting operations that are generic to all College Committees.¹ Where appropriate, the Committee Meeting Operations Regulations (**Regulations**) also apply to Advisory Groups, Steering Groups, Working Groups and Panels.

This document is to be read in conjunction with the Committee's Regulations/Terms of Reference which outlines, at a minimum, the Committee's role(s)/responsibilities, reporting relationships, composition/membership and election/appointment/casual vacancy processes.

The information contained in this document replaces the operational information contained in each of the College's Committee Regulations/Terms of Reference.

Until such time that a committee's Regulations/Terms of Reference have been updated to remove the operational information, please contact the College's Governance Unit for assistance where committee operational matters require clarification via governance@ranzcp.org.

A committee's Regulations/Terms of Reference should always be referred to when making an appointment to the Committee. If the Committee wishes to divert from its Regulations/Terms of Reference such as appointing a role which is outside of its Regulations/Terms of Reference, a briefing paper will be required to be prepared outlining the reasons for the proposed diversion and submitted to the Committee's Parent Committee for consideration prior to submission to the Corporate Governance and Risk Committee (**CGRC**), Executive Meeting or Board (or any combination of these as may be applicable).

¹ A Committee may be known as a Committee, Subcommittee, Council or Network Committee..

In regard of face-to-face meetings, a committee member will be required to comply with all workplace health and safety guidelines and protocols that may be in place with the College office or venue.

Frequent non-attendance of meetings and/or non-response to matters being considered outside of meetings will be reviewed by the Committee Chair with the individual member concerned.

In the case of the Committee Chair not frequently attending meetings and/or non-response to matters considered outside of meetings, the Parent Committee Chair will be advised by the Chief Executive Officer (**CEO**) or relevant College Executive Manager to determine the next steps.

'Frequency' will be determined in consultation between the Committee Chair and/or Parent Committee Chair and the CEO and/or relevant College Executive Manager.

3. Chair

The Chair of the Committee will chair the Committee's meetings.

In the absence of the Chair, the Deputy Chair or Co-Chair (if applicable and present) shall act as the Chair for that meeting.

If the Chair or Deputy Chair or Co-Chair are not in attendance within 15 minutes of the meeting's commencement time, the Committee members present shall elect a committee member (Fellow or Affiliate; or in respect of the Trainee Representative Committee another Trainee) present to chair the meeting.

Refer to section 7 of these Regulations (Confidentiality) and section 5 of these Regulations (Conflict of Interest) for managing conflicts of interest.

4. Committee Powers and Delegation

The Committee shall observe and comply with its Regulations/Terms of Reference and any directions and delegations (financial or otherwise) that may be required by the Board.

Any delegation from the Board cannot be sub-delegated by the Committee unless stipulated within the Committee's Regulations/Terms of Reference.

The Committee shall act within its schedule of delegations or seek clarification of these from the Board, the relevant Board constituent committee or the relevant College Executive/Senior Manager.

5. Conflict of Interest

Conflicts of interest will be managed and declared in accordance with the College's [Declaring and Managing Conflict of Interest Guideline](#).

All persons attending a committee meeting must declare any conflicts of interest (COI) to the Chair. If the declaration is provided outside of a meeting, any declaration is to be emailed to the Chair and the relevant College Executive/Manager.

A committee may develop and maintain a COI Register. If developed, an up-to-date version is to be provided as part of the agenda papers for each Committee meeting.

Conflicts declared at a meeting must be recorded in that meeting's minutes and, if relevant, the committee's Conflict of Interest Register must be updated.

Refer section 18 of these Regulations (Quorum/Voting) for instances where a conflict is present.

6. Consent

As a committee member, the College will communicate your email address to all members of the Committee on which you sit to enable the Committee to carry out its role(s) and responsibilities. The College may also communicate your email address to other associated College Committees, including the Board. If you do not consent for your email address to be communicated in this way, please contact the relevant College Executive/Senior Manager.

7. Confidentiality

It is important to maintain the confidentiality of any confidential information provided to you as part of your committee role and to seek clarification from the Chair if uncertain whether a matter can be disclosed.

All voting members, Co-opted members, Observers and appointed Proxies must sign and return to the College a [Undertaking in relation to Confidential Information and Management of Conflicts of Interest](#) (Undertaking) prior to attending a meeting.

Note: One (1) Undertaking covers all College committees.

The Undertaking is valid during and continues to operate after the cessation of the committee role.

8. Meeting Code of Conduct

By participating in this meeting, we aim to support our members, advanced psychiatry, and advocate for the best mental health outcomes for our communities.

Members of this Committee will strengthen performance of the Committee, improve working relationships and ensure all participants wellbeing is maintained. Participants will attend meetings with good intentions, willingness to share experience and knowledge and support each other in constructive and respectful discussion.

Participants will:

- Attentively listen to others, remain open to suggestions and comments and ensure respectful communications are maintained at all times
- Be punctual, prepared and contribute to the meeting goals
- Make an active contribution to discussions, give the views of each member consideration and respect the outcomes supported by the Committee
- Be respectful of the confidential and sensitive information afforded to members in their role
- Accept all opinions and decisions graciously, even if individual views have not been collectively supported
- Ensure all views are recorded in the minutes, particularly dissenting views
- Take into consideration Australian and Aotearoa, New Zealand perspectives as well as appropriateness to First Nations Peoples and the lived experience voice.

9. Co-opted members

The Committee may co-opt a maximum of four (4) additional members for a specified period of time, where particular knowledge and/or expertise is required. The approval to co-opt is to be undertaken by the Committee.

The number of Co-opted members outlined above does not include where a committee's Regulations/Terms of Reference allows for:

- the immediate past Chair to be Co-opted; and/or
- where the Committee agrees to co-opt a person(s) who expresses interest in joining the Committee outside of the election process.

Co-opted members do not need to be a member of the College.

Refer to section 7 of these Regulations (Confidentiality) and section 5 of these Regulations (Conflict of Interest) for managing conflicts of interest.

Refer to section 18 of these Regulations (Quorum/Voting) for voting rights.

The Co-opted position term is at the discretion of the Committee. If no term is specified at the time of appointment, the term will be until the Committee's next election cycle for voting members or will be for 3 years if the appointment is made within the Committee's election year.

10. Defects in Appointment or Qualification

All acts done in good faith by a meeting of the Committee or member of a committee will be valid and effective even if it is afterwards discovered that there was some defect in the appointment of that person.

Should the Committee not have all positions filled as per its composition outlined in its Regulations/Terms of Reference, it does not invalidate the operation of the committee.

Where the Committee is unable to satisfy the New Zealand or Australian geographic requirement if stipulated within the Committee's Regulations/Terms of Reference, if best endeavours have been made to satisfy that requirement, the New Zealand or Australian geographic requirement will be widened to consider if the geographic requirement will be satisfied taking into consideration all voting and non-voting members of the Committee.

11. Financial Responsibility

Where applicable, a committee must develop an annual budget in consultation with the relevant College Executive/Senior Manager.

All financial business cases, budgets or budget variations must be reviewed by the CEO, the Finance Department and approved in accordance with the [College's Delegation of Authority Guideline](#).

Ay additional financial responsibilities will be outlined in a committee's Regulations/Terms of Reference if relevant.

12. Media and Authorised Statements

The College's [Media and Communications Policy](#) must be consulted and adhered to.

Media questions received by a committee or a committee member **must** be forwarded to media@ranzcp.org for consideration.

13. Meetings

Committee meetings (excluding the Branch Committees and the New Zealand National Committee) may be in person (face-to-face) up to a maximum of 2 times per calendar year, by teleconference, or videoconference, or may be held out of session via email. Any exceptions to this will be listed in the Committee's Regulations/Terms of Reference.

Out of session meetings (i.e. by email) are to be used as a method of last resort and/or for when urgent matters are required for decision/input and it is not feasible for a meeting (face-to-face, or teleconference, or videoconference) to be convened. However, best endeavours should be made to convene a meeting by teleconference, videoconference or face-to-face where there are matters likely to require robust deliberation or are of a significant nature.

Branch Committees and the New Zealand National Committee meetings are typically held face-to-face.

All business of a committee must be undertaken within its Board approved allocated budget. Appropriate meeting notice will be provided. However, the College may call a meeting with 24 hours' notice if the business is deemed urgent by the Board, Chair of the Committee or the CEO.

14. Minutes

Minutes of a meeting and any out of session decisions shall be recorded and kept by the College.

Minutes must be:

- drafted, provided to and reviewed by the meeting Chair within two weeks of the meeting taking place, where practicable
- following Chair review, circulated to the Committee and submitted in draft to the Parent Committee for noting
- submitted to the Committee's next meeting for approval.

Refer to the *Committee Induction Manual College Committee Operations – Guide to Chairing Meetings* or the *Committee Induction Manual* for further information on minutes.

15. Observers

The Committee may invite a person(s) to attend some or parts of a committee meeting as an Observer.

Observers do not need to be a member of the College.

It will be at the discretion of the Chair of the Committee if an Observer is to be provided with Committee meeting papers.

Refer to section 7 of these Regulations (Confidentiality) and section 5 of these Regulations (Conflict of Interest) for managing conflicts of interest.

Refer to section 18 of these Regulations (Quorum/Voting) for voting rights.

A committee will consider on an as required basis the need for Observers.

16. Other Committees

The Committee may not establish another committee without the approval from the Committee's Parent Committee and/or the Board unless it is documented in the committee's individual approved Regulations/Terms of Reference.

Any request to establish a committee must be in writing to the Parent Committee/Board, taking into consideration resources, workload, available budget and the College's governance structure.

17. Proxies

Committee members are only able to appoint a Proxy to attend a meeting on their behalf if the position held by the member on the Committee is a Representative position as defined in this document.

The appointed Proxy must be a member of the Committee they are representing.

The onus is on the Committee member to advise the Committee Chair and the relevant College Executive/Senior Manager in advance of the meeting of their Proxy's details.

A Proxy has the same voting rights as the person they are replacing.

A Proxy may only receive the meeting papers for the meeting they are attending.

Refer to section 7 of these Regulations (Confidentiality) and section 5 of these Regulations (Conflict of Interest) for managing conflicts of interest.

Refer to section 18 of these Regulations (Quorum/Voting) for voting rights.

18. Quorum/Voting

The quorum to hold a meeting (face-to-face, teleconference, videoconference or out of session via email) is **50% of the Committee's total voting membership**. For example: if a committee is made up of 11 persons, namely:

- 1 Chair (can vote)
- 8 members which includes 1 person holding a Casual Vacancy position and 1 holding a Proxy (all can vote)
- 1 Co-opted member (cannot vote)
- 1 Observer (cannot vote).

The quorum required to hold a meeting will equal 50% of the 9 voting members i.e. 5 voting members. A vacant role on a committee, Co-opted members and Observers are not counted for quorum purposes, nor are agenda items where a conflict of interest has been declared.

Who can vote

With the exception of Co-opted members and Observers, all committee members (including those holding a Casual Vacancy role or Proxy role) have voting rights.

College staff are not permitted to vote.

Minimum % of Committee members required for a decision to be made

A decision of the Committee is valid where it is made by a minimum of **50% of its voting membership who are present**.

Where a conflict of interest has been declared and excludes a person from voting, the *minimum 50%* is of those who are eligible to vote and present.

Example: if a committee has 10 members in total and 8 are present at the meeting. 2 of the 8 present are Co-opted (i.e. cannot vote) and 1 voting member has declared a conflict. This would equal 5 members able to vote. Therefore a minimum 50% of 5 would be 3 members required for a decision to be valid.

Decisions where a quorum is not present

If a quorum is not present, decisions can only be made on agenda items that relate to an already approved policy, procedure or process, to a set of facts, or extending to an established decision.

The Chair is required to seek guidance from the relevant College Executive/Senior Manager or the CEO to confirm where decisions can be made when a quorum is not present.

Options for decision making where there is a quorum not present and agenda items requiring decision do not relate to an already approved policy, procedure or process, to a set of facts, or extending to an established decision

Agenda items may be considered out of session or potentially deferred to the next meeting. The decision as to which method is appropriate should be made by the Chair in consultation with the relevant College Executive/Senior Manager or the CEO.

Refer to section 13 (Meetings) of these Regulations regarding out of session meetings.

Where there is an equality of votes

The Chair of the meeting has an additional vote where there is an equality of votes.

Meeting decisions will be recorded in the meeting's minutes.

A decision of the Committee is deemed to be a decision of all Committee members present and voting. A Committee member may request that their dissent be recorded in the minutes.

Decisions are to be made in accordance with the Committee's Regulations/Terms of Reference and/or the Board's delegation, noting that a decision may be a recommendation to the Parent Committee for approval.

19. Review

The Board will review the need for each College committee and its membership and/or composition every two years.

Regulations/Terms of Reference shall be reviewed every two years, or earlier if required.

20. Risk Management

The Committee is responsible for identifying, recording, reporting and managing risks in accordance with the College's [Risk Management Policy](#).

Any risk that is thought to be a high risk must be elevated promptly to the Committee's Parent Committee via the Executive/Senior Manager.

21. Support

A Committee shall be supported by College staff. The Executive/Senior Manager responsible for the Committee (or their nominee) will be in attendance at all committee meetings. Other staff members may attend and this will be arranged by the relevant Executive/Senior Manager.

Refer to section 18 of these Regulations (Quorum/Voting) for voting rights.

22. Voting Member Term

The absolute term maximum that may be undertaken by a voting member on an individual committee is 12 years i.e. a total of two (2) terms (six (6) years) as a committee member and two (2) terms (six (6) years) in a standalone position (e.g. a standalone position may be a chair position). The 12 years is determined when the voting position(s) on the Committee are undertaken consecutively.

A committee member may be eligible to nominate for a voting position on the Committee 12 months after their absolute maximum term has ended. The ability to nominate being dependent on the Committee's election cycle and available positions at that time.

23. Work Plan

The Committee may develop and implement an annual Work Plan to support the College's Strategic and Operational Plans. If an annual Work Plan is developed, it should be provided to the Committee's Parent Committee when first approved by the Committee and then ongoing after each of the Committee's meetings so as to provide updates on the progress of the work being undertaken.
