Scholarly Project Statement of Contribution for Previous Publications or Substantially Comparable Project

To be completed by trainees applying for exemption from the Scholarly Project under the Fellowship Regulations 2012.

Please submit this statement of contribution with your soft copy submission to the College's examination department: scholarly.exemption@ranzcp.org
Please complete a separate contribution form (up to 4) for each item submitted if you were not the sole author.

This contribution statement needs to accompany your application for exemption from the Scholarly Project based on previous publication/s or a substantially comparable project. The Publication/s or Substantially Comparable Project must be relevant to psychiatry or mental health and must have been completed within the past 10 years in order to be eligible for exemption.
